Rules

- Students must be in a graphic arts program in New England. The work must have been produced by the student (from native file through finished product) within the graphics arts program.
- Pieces printed from January 1, 2022 through December 31, 2022 are eligible for entry.
- Entries must reach the PINE office **by 5 p.m. on Friday, January 27, 2023.**
- The judges eliminate any pieces with obvious flaws, such as hickeys, streaking, hazing, scratches, mottling, slurring, etc.
- Entries should not be mounted.
- PINE reserves the right to re-categorize any entry if it is determined that it would be judged more fairly.
- Winners will be notified via their instructor after judging is completed in February.

How to Submit Entries

- Go to pine.org/events/awards and complete the form using full names of schools, instructors and students, etc. Give each entry a unique name that helps to identify it.
- Choose two samples of each entry and review for imperfections.
- Check spelling, spacing, punctuation, etc. If the entry wins, the information you provided will be used to generate your award.
- Print out your packing slips.
- Attach packing slips to matching entries (do not use staples, paperclips, or tape to attach packing slips directly to entries).
- Please keep a copy of your packing slips for your records.

Returns

We understand that you might have a "one of a kind" item to submit (please let this be the exception, not the rule). Please clearly mark "Return" on the entry form and we will do our best to return items, but we cannot guarantee it. Contact Christine Hagopian with questions (508) 804-4152 or chagopian04@pine.org.
